

TELEMET QUARTERLY NEWSLETTER DEC 2025

Message from the CEO

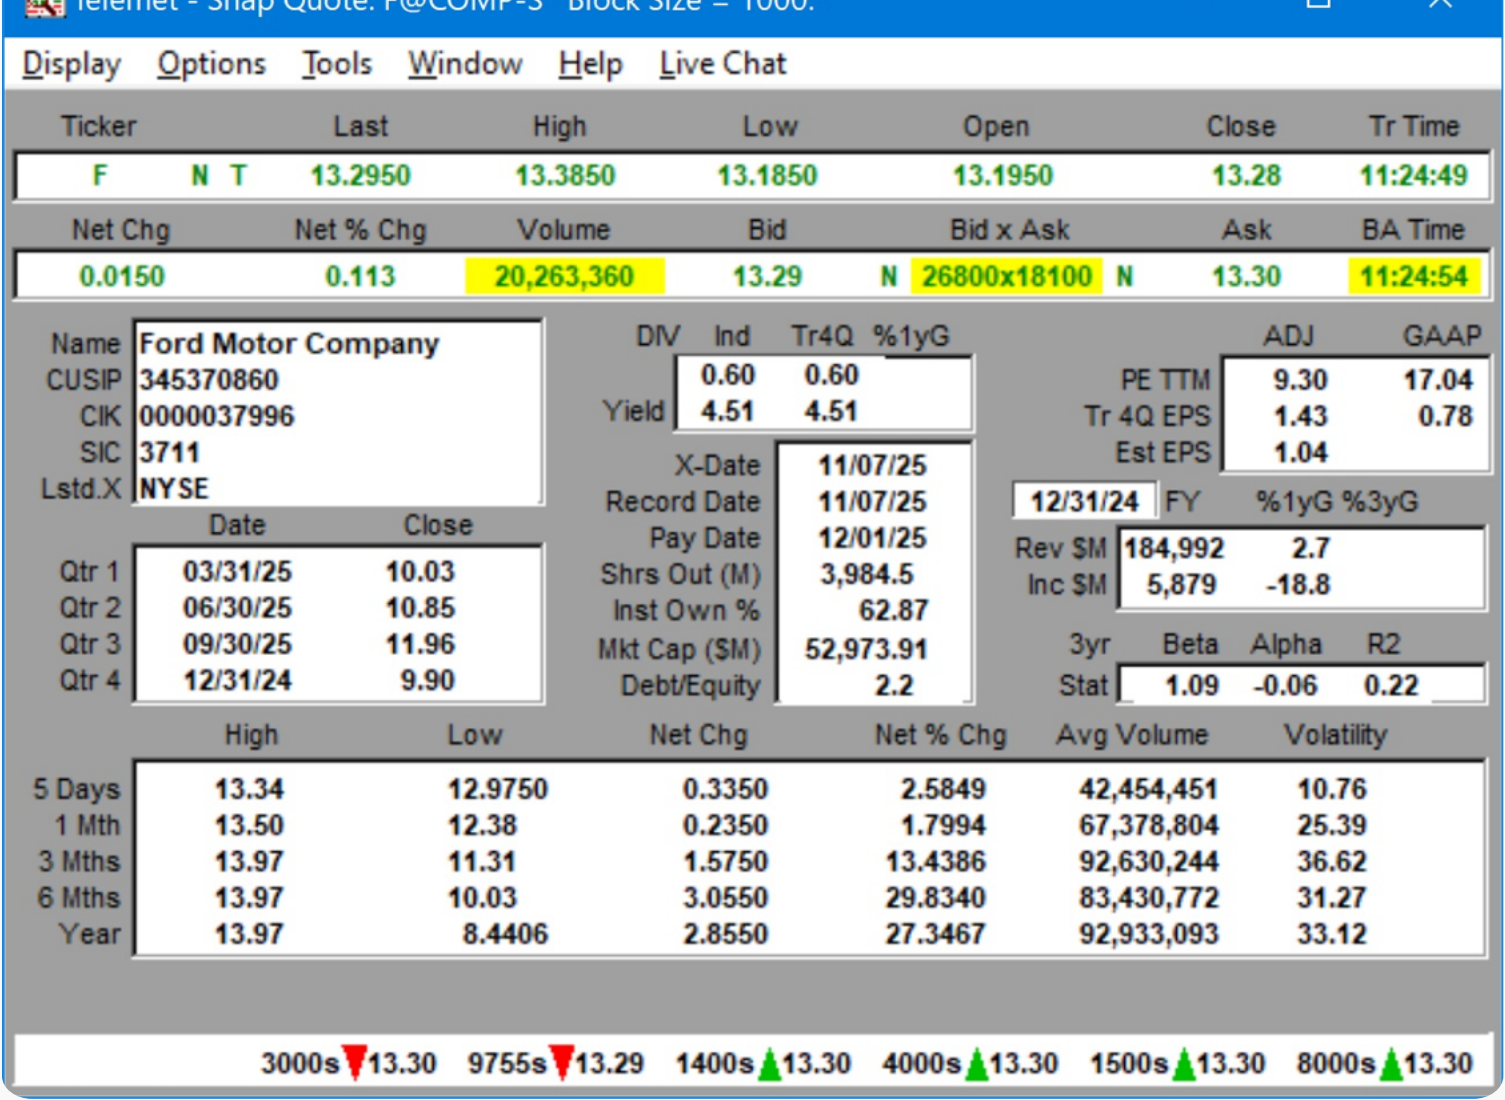

Greetings to All,

In this newsletter we highlight some data changes to our market data pages on Telemet Orion. Further we gently remind you to download your latest version 8.2.7.8 if you haven't done so already. It's free and offers some data presentation changes and in addition, it includes chat access to support, our spreadsheet library, and access to our updated fixed income summary page.

We are also announcing a new referral program. Please read about this, I know you will want to participate!

We all at Telemet thank you and appreciate your business and trust and wish you the best for the holiday season.

Fred Parsons, CEO

Snap Quote Update (Version 8.2.7.8)

Bid/Ask Size Granularity In the latest version (v8.2.7.8), the Bid/Ask size is now displayed in **individual share lots**, providing greater precision compared to the hundred-share lots shown in previous versions. This update ensures users can view the full range of quote sizes without truncation.

Detailed Data Overview

The Snap Quote window provides a comprehensive view of market data beyond the immediate price:

Dividend & Ownership Data

- **Dividend Details:** View the most recent dividend amount, along with the Record, Pay, and Ex-dates. This feature is crucial for traders looking to capture impending dividends.
- **Company Structure:** Displays current Shares Outstanding and Institutional Ownership percentages.

Historical Performance

- **Quarterly Closes:** Historic price data includes closing prices for the previous four quarters.
- **Net Changes:** Performance metrics are available ranging from the last five days up to the one-year mark.

Valuation & Financials

- **P/E Ratios:** Located on the right side of the screen, view Trailing 12-Month P/E ratios on both an Adjusted and GAAP basis.
- **EPS Data:** Displays Trailing 4-Quarter EPS.
- **Estimates:** Users with an S&P estimates subscription can also view the Next Year End EPS estimate.
- **Statistics:** Additional fields include Revenue, Earnings numbers, Beta, Alpha, and R-squared.

Trade Tape

A live tape showing recent trades runs at the bottom of the Snap Quote window.

Customization & Support

Alternate Views To customize your view (e.g., hiding the trade tape or simplifying the data layout), select the **"Options"** menu within the Snap Quote window.

Contact Support For assistance with these new features, please contact our Client Service team:

Grow With Us: The New Telemet Referral Program

At Telemet, our growth has always been driven by word-of-mouth from satisfied clients like you. We truly appreciate the trust you place in us, and we want to reward you for sharing that experience with your network.

Give us a referral, get \$500. We believe referrals should be a win-win.

- For your connection: They will receive a month's free Telemet service.
- For you: As a thank you, we will give you a \$500 credit on your next invoice towards your current or new services with us.

How It Works

1. **Identify:** Think of a colleague or business partner who is not using Telemet now who could benefit from Telemet's market data.
2. **Introduce:** Send us an email introduction connecting us to them with copy to them.
3. **Earn:** Once they sign an Agreement for one year or more of service and complete their first payment, your credit will be processed within 30 days.

Thank you for being a valued partner. We look forward to helping your network succeed just as we have helped you.

The fine print:

- **Eligibility:** Referrals must be new clients who have not previously done business with Telemet within the last 18 months.
- **Payout:** Rewards are issued 30 after the referred client completes their purchase/payment.
- You cannot refer yourself or add users to your existing account to earn rewards.
- This program commences on Jan 1, 2026. Telemet reserves the right to modify or cancel this program at any time thereafter.
